PGDM Program

Post Graduate Diploma in Management (PGDM)

PGDM has been the most sought after and prestigious, two-year full-time Management Program of IMIS. This is the flagship Management Program of the Institute since 1995. This Program is approved and made equivalent to MBA by AICTE, Ministry of Education, Govt. of India. These are specifically designed to develop competency and skills associated with general as well as the six specialized functional areas in management, such as **Marketing, Finance, HRM, Retail Management, Business Analytics and Operations Management.**

PGDM program has dual specializations to widen the scope for placements in companies. In PGDM, a student can opt any two of the specializations mentioned above. This Program has elective system with one, two and three credit papers. For

“ We, at IMIS, believe in the theory of ‘collective responsibility’. Compassion forms the cornerstone of our education. We believe that leadership is more of an art which can be taught. Over the years, IMIS has created its reputation for developing leaders who lead and take people where they ought to be. ”

Dr. Usha Kamilla
Director

Pedagogy

The teaching pedagogy at IMIS is mostly application-oriented. The pedagogical models include Structured Lectures, Case Analysis, Co-operative Learning, Inquiry-based Learning, Practice-based Learning, Technology-based Learning, Development Orientation, Personal Counseling, Continuous Assessment and Evaluation. In cooperative learning, students work together in small groups on a structured activity. They are individually accountable for their work and the work of the group as a whole is also assessed. The system is more industry-centered, where the mentor acts as a facilitator of learning.

On the development front, the institute has made an exclusive arrangement where, one working day in a week is reserved for conducting special sessions for student's development, viz. Communication Development, Personality Development, Business Etiquette, Mock Interview, Business Quiz, Panel Discussion, Presentation on Contemporary Topics, Assessment Techniques, Students' Knowledge Improvement Programmes (SKIP), Yoga & Meditation, Foreign Language Training, Students' Activities etc.

“ Business Analytics and Marketing Analytics courses are offered by **KPMG** as an **Industry and Learning Partner** of IMIS, Bhubaneswar. ”

Training & Placements

Placement is the grand finale of assigning a new opening to a professionally qualified potential manager in an organization. Our education program and personality development efforts are tailor-made to match the dynamically changing recruitment strategies and expectations of the potential employers. We claim that we not just place our students, but create a niche for them in the job market. Thus, the competitive job market, recession and saturated growth do not deter our students from grabbing away the best jobs available. Confidence is the name of the game plan.
